

Webber Precision Engineering Ltd Quality Policy

Quality Policy

This policy is a declaration of Webber Precision Engineering's dedication to supply our customers with products that are on-time, defect free, and that are right first time every time. Our aim being to exceed our customers' expectations whilst ensuring our commitment to comply with all applicable customer, statutory and regulatory requirements.

Our quality objectives are to: -

- Continually aim to enhance customer satisfaction.
- Establish and implement a Quality Management System that is consistently reviewed and improved.
- Establish and implement continual improvement and innovation based upon efficient business processes, well-defined measurements, and best practices.
- Develop staff competencies, creativity, empowerment, and accountability through appropriate development programs and show strong management involvement and commitment.
- Establish and maintain effective and beneficial working partnerships with all our customers and suppliers.
